The rates for service are the regular monthly rates as set forth in Tariff Sch. 9-MC:

SPECIAL CONDITIONS:

1. A \$2,000.00 refundable deposit will be required for each meter.
2. El Toro Water District reserves the right to discontinue service without notice if water is not used for a period of 15 consecutive days.
3. The customer shall notify El Toro Water District when he wishes to have the service discontinued. The regular rates including monthly minimum charge shall continue until such time as notice has been received, unless service is discontinued under Special Condition No. 2 above.
4. Before the District will install a fire hydrant meter, the applicant will provide his own eddy valve to be used with the meter. Applicants are advised that they are not to operate fire hydrants once meter is set.
5. An employee of El Toro Water District will install the meter and chain it to the fire hydrant. If for any reason said meter should be lost to the District, the applicant will be billed for the replacement cost of the meter less the deposit. The District will move a meter within a project at a cost of \$50.00
6. If during the course of obtaining flooding water, the applicant causes any damage to the District's facilities, applicant will be billed for such damages.
7. Any temporary use of water from District hydrants must comply with the provisions of El Toro Water District Cross-Connection Ordinance #1988-1. Any violation will result in immediate discontinuance of water until required corrections are made.
