

CALLING ALL ORANGE COUNTY HIGH SCHOOL TEACHERS!

Free Water Education Program For Grades 9-12

Offered by the Municipal Water District of Orange County and participating Orange County water providers.

Through remote classroom sessions, students **engage** in activities and discussions that guide them to think carefully about their role in protecting the **quality, quantity,** and **availability** of water.

✓ Supports California content standards and curriculum frameworks

Session Topics :

- 💧 **Pre-activity:** Students develop real-world solutions to challenges faced by Orange County water providers to deliver a safe, clean, and reliable water supply each day
- 💧 **Online Session:** Sessions actively engage students in topics such as Orange County water resources and how everyday activities can significantly impact our water supply
- 💧 **Post-activity:** Students film a 1-minute Public Service Announcement that persuades others in their community to use water wisely
